BOARD OF COMMISSIONERS OF COOK COUNTY

COMMISSIONERS

PROPOSED RESOLUTIONS

Submitting a Proposed Resolution sponsored by

MIKE QUIGLEY, County Commissioner

PROPOSED RESOLUTION

WHEREAS, many residential areas of Cook County are rapidly developing, as evidenced by the recent construction of many new property developments, condominium units and subdivisions throughout the County; and

WHEREAS, under current state law, a grantor may transfer ownership of a new residential parcel to a grantee without providing a property index number (PIN) and in fact, many of these newly built or newly divided properties are sold prior to assignment of proper property index numbers by the Cook County Assessor; and

WHEREAS, the sale of parcels that have not yet been divided by the Cook County Assessor's Office leads to imprecise billing of individual property owners, which can result in overpayments, underpayments and penalties, creating confusion and frustration on the part of these new homeowners; and

WHEREAS, the resulting confusion and frustration of these homeowners severely strains the resources of the Cook County Assessor's Office and the Cook County Commissioners; and

WHEREAS, State Representatives Judy Erwin, Jim Brosnahan, Sara Feigenholtz, Julie Hamos and the State Senator Christine Radogno have sponsored House Bill 2392, a bill only affecting Cook County, which would require a grantor of property to provide the grantee with an individual permanent index number that specifically represents that parcel of property which that grantee has purchased; and

WHEREAS, House Bill 2392 also provides that if the permanent index number does not represent the legal description of the property, the grantor may supply proof that he or she either filed an application for division of the property with the Cook County Assessor's Office, recorded a plat of subdivision, or recorded a condominium declaration; and

WHEREAS, a grantor's failure to meet these requirements will not invalidate the transaction, but will render a grantor personally liable to grantee for any taxes and attorney's fees that may be incurred until the requirements are met.

NOW THEREFORE BE IT RESOLVED, that the Cook County Assessor's Office and the Cook County Board of Commissioners support this legislation, recently passed unanimously by the House Judiciary I Committee; and

BE IT FURTHER RESOLVED, that the Cook County Board of Commissioners does hereby urge the Illinois State Legislature to support this effort to facilitate the payment of accurate property taxes by residential property owners in Cook County; and

BE IT FURTHER RESOLVED, that this text be spread upon the official proceedings of this Honorable Body, and a suitable copy of same be provided to the Illinois State Legislature.

Commissioner Daley, seconded by Commissioner Steele, moved to suspend the rules so that this matter may be considered. **The motion carried unanimously.**

Commissioner Daley, seconded by Commissioner Lechowicz, moved that the Proposed Resolution be referred to the Committee on Legislation and Intergovernmental Relations. (Comm. No. 242723). **The motion carried unanimously.**

PROPOSED RESOLUTION

Support of the South Extension of I-355 from I-55 to I-80

WHEREAS, Cook County has long supported regional highway planning; and

WHEREAS, regional travel is limited by existing, congested expressways; and

JOURNAL OF PROCEEDINGS FOR APRIL 4, 2001

WHEREAS, the Illinois Department of Transportation has completed an extensive study and evaluation of alternatives and identified the South Extension of I-355 as providing superior travel benefits for motorists; and

WHEREAS, the South Extension of I-355 will complete a necessary, vital and long needed link in the regional expressway system; and

WHEREAS, the South Extension of I-355 will improve travel efficiencies to/from Cook County; and

WHEREAS, the South Extension of I-355 will redirect through traffic and reduce congestion on existing arterial roadways; and

WHEREAS, the construction of the South Extension of I-355, being a new highway, will have minimal impact on motorist delays during construction activities; and

WHEREAS, input will be an essential part of the decision making process.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners supports the South Extension of I-355 from its present terminus to I-80 as recommended in the CATS 2020 Regional Transportation Plan; and

Please accept this letter as the South Suburban Tax Reactivation Project's formal No Cash Bid request on behalf of Chicago Heights, Harvey, Lynwood, Richton Park, Robbins and Sauk Village.

The submitted listing includes the permanent index number and volume of each real estate parcel. These parcels will be used for commercial and industrial purposes. The South Suburban Tax Reactivation Project will retain legal counsel to obtain the tax deed and will bear all legal and other costs associated with acquisition of the parcels

Chairman Sims asked Gregory Carney - Project Director - South Suburban Tax Reactivation Project to give the subcommittee a brief synopsis of Communication Number 242354.

Mr. Carney explained the Tax Reactivation Project had received a \$5,000,000, 2 year grant from Department of Commerce and Community Affairs and had to decipher 12,000 tax delinquent parcels that could be utilized for redevelopment. Following review, the number of delinquent parcels was reduced to 1,250 and includes recommendations on behalf of certain municipalities that have approved resolutions authorizing acquisition of the parcels. He indicated the South Suburban Tax Reactivation Project will work on marketing efforts to develop the parcels. He informed the subcommittee that some PINs have been withdrawn from the initial request.

- 242355 CITY OF BLUE ISLAND (NO CASH BID REQUEST). Transmitting a Communication, dated March 19, 2001 from Deborah Sims, Chairman, Tax Delinquency Subcommittee, submitting a request from Donald E. Peloquin, Mayor.

I am writing to you on behalf of the residents of the City of Blue Island. We are requesting your assistance in securing a tax delinquent property on a no cash bid basis from the County scavenger sale. This property has been an eyesore for the residents that have lived next to it for years. Our building department has tried numerous times to contact the property owner to no avail. We are trying to secure an abandoned building to be developed according to the proposal made by Tom and Bonnie Roe to the City Council. The city will be responsible for all legal expenses.

Ms. Berman informed the subcommittee that the requested parcel does not have forfeited taxes available for a No-Cash Bid purchase.
